PROFESSIONAL SUMMARY

B.Tech graduate in Electronics & Telecommunication (CGPA: 8.58/10, 2024) certified in MERN Stack Development with hands-on experience building live web applications including a healthcare website and personal portfolio. Seeking a Frontend/Software Developer role to apply full-stack development skills, problem-solving abilities and a quality-focused approach to building efficient, user-friendly applications.

SKILLS SUMMARY

- Frontend:** HTML5, CSS3, JavaScript (ES6+), Bootstrap, React.js
- Backend & Databases:** Node.js, Express.js, SQL, MySQL, MongoDB
- Tools:** Git, GitHub, GitHub Pages, VS Code
- Competencies:** Responsive Design, REST APIs, Root-Cause Analysis, Technical Documentation, Debugging

EDUCATION

Jhulelal Institute of Technology

B.Tech - Electronics & Telecommunication Engineering; CGPA: 8.58/10

Nagpur, India
May 2020 - May 2024

L.T.R.V. Junior College

HSC (Science); Percentage: 71.38%

Tumsar, India
2019 - 2020

EXPERIENCE

Atomberg Innovation Pvt. Ltd

Production Trainer

Pune
December 2024 - October 2025

- Trained 100+ employees on PCB assembly, motor integration and final product testing; reduced onboarding time through structured knowledge-transfer programs.
- Implemented IPC-A-610 standards for electronic assembly quality, maintaining 100% compliance across all production batches.
- Authored SOPs, ESD/safety guides and training materials, applying clear technical-documentation skills also useful for code commenting and writing.
- Collaborated with engineering and operations teams to identify workflow gaps and drive corrective actions using data-driven Excel dashboards.

Unschool

Youth Influencer (Internship)

Remote
July 2023 - August 2023

- Led digital outreach campaigns targeting student communities across social media platforms.
- Coordinated with the product team to align content with platform features and user onboarding.

NU Intelligence Pvt. Ltd

IoT Intern

February 2023 - April 2023

- Set up and tested IoT sensor-based systems and data communication pipelines; ensured correct data transmission across connected devices.

PROJECTS

- Personal Portfolio Website:** Built a personal portfolio website using React.js to showcase frontend projects, skills and resume. Featured sections include About, Skills, Projects and Education; linked on LinkedIn and GitHub.
Tech: React.js, JavaScript, CSS. Live: chandaniatraye.github.io/my_portfolio
- Healthcare Website:** Built a fully responsive, multi-page healthcare website deployed live on GitHub Pages. Used Bootstrap grid for cross-device compatibility (mobile, tablet, desktop); developed as part of a team.
Tech: HTML5, CSS3, Bootstrap, GitHub Pages. Live: chandaniatraye.github.io/healthcare-hospital
- Edible Oil Quality Detection System:** Detected oil adulteration by extracting RGB values via a color sensor and comparing against calibrated pure/adulterated samples; displayed results on an I2C LCD in real time.
Tech: IoT, Adafruit TCS34725, Arduino, I2C LCD

LEADERSHIP EXPERIENCE

Jhulelal Institute of Technology

Training & Placement Coordinator | Campus Recruitment

Nagpur, India
May 2023 - May 2024

- Coordinated training and placement activities for students.
- Assisted in organizing campus recruitment drives and placement events, liaising between students and recruiting companies.

CERTIFICATIONS & ACHIEVEMENTS

- Git & GitHub** - LinkedIn Learning (June 2026)
- MERN Stack Development** - Fortune Cloud Technology | MongoDB, Express.js, React.js, Node.js (December 2025 - Present)
- Workplace First Aid Training** - Atomberg Innovation Pvt. Ltd (August 2025)
- Employability Skills Programme** - Mahindra Pride Classroom, Naandi Foundation
- IEEE Bombay Section Technovation Competition** - Participation & recognition for innovation
